Kanye and Kim agree over kids

KANYE West has agreed to joint custody of his and Kim Kardashian's four young children.

His response mirrors Kardashian's divorce filing from February 19, which began the process of ending their almost seven-year marriage.

In both of their filings, the US rapper and the TV reality star agreed that their marriage should end over irreconcilable differences.

They have also agreed that they do not need spousal support.

Kanye, 43, and Kim have two daughters, North and Chicago, aged seven and three respectively, and two sons, Saint, five, and Psalm, who turns two next month.

In 40-year-old Kim's filing it states they kept their property separate throughout their marriage because of the terms of a pre-nuptial agreement.

Defence giant to slash jobs

ENGINEERING giant Babcock International is to cut 1,000 jobs, around 850 of them in the UK, as part of a shake-up.

The company, a key player in the UK defence industry, said it was reducing layers of management to create a "more efficient and effective" structure.

It follows a review which will also result in Babcock selling off parts of the business worth about £400m over the next 12 months and take a £1.7bn accounting hit.

The group employs 30,000 people globally, most of them in the UK.

ONE STEP AWAY FROM WAR

RAF sent to warn Putin as world slides towards conflict over Ukraine

SIX Royal Air Force Typhoon jets will fly to eastern Europe in a bid to deter Russian president Vladimir Putin, who has sent troops to the Ukrainian border.

Last night UK defence chiefs confirmed the RAF deployment to Romania to police the skies around the Black Sea. The Typhoons will be supported by troops from the RAF's No 1 Expeditionary Logistics Squadron and No 2 Mechanical Transport Squadron. They are deploying from bases in the UK this week.

While the Ministry of Defence insists these deployments are routine, they come at a time of heightened fears of conflict between Russia and Ukraine. Ukrainian president Volodymyr Zelensky said he was still waiting after requesting talks with Putin nearly three weeks ago following the deaths of four of his troops in a Russian mortar attack.

His spokesman said: "We very much hope that this is not a refusal of dialogue."

The Ukrainian government says Russia has sent 41,000 troops to the border in eastern Ukraine and 42,000 to Crimea, and numbers "keep growing".

VLAD IDEA: UK jets may dissuade Putin

While the Kremlin claims it is an exercise, not a threat, Russian state TV warned Moscow is "one step away from war".

More than 14,000 people have been killed since Russia

annexed eastern Ukraine in 2014 and efforts to negotiate a peace settlement have failed.

Security experts fear Russia may invade Ukraine to protect native Russian speakers there.

Lockdown slew virus, claims PM

BORIS Johnson has warned the reduction in COVID infections, hospitalisations and deaths "has not been achieved" by the rollout of vaccines.

The Prime Minister, speaking the day after the latest easing of lockdown restrictions, instead said that the national shutdown had been "overwhelmingly important" in driving down virus rates.

Nearly 40 million vaccine doses have now been given across the UK, with those aged between 45 to 49 now able to book their jab appointments.

They are being invited for vaccines after the Government's target for offering a first dose to priority groups was reached three days early.

But speaking at 10 Downing Street Mr Johnson said: "The numbers are down but it is very important for everyone to understand that the reduction in these numbers has not been achieved by the vaccination programme."

"That has helped, but the bulk of the work in reducing the disease has been done by the lockdown."

Bug deaths down to six-month low

THE number of registered deaths involving COVID-19 in England and Wales has fallen to the lowest level in six months, with the Easter break affecting numbers, figures show.

There were 400 deaths in the week ending April 2 where coronavirus was mentioned on the death certificate, the Office for National Statistics said.

This is the lowest number since the week ending October 2 and down 44 per cent on the previous seven days.

The ONS said the number of registrations was affected by the Good Friday Bank Holiday on April 2.

Around one in 20 deaths registered in England and Wales over the seven days mentioned COVID-19 on the death certificate.

HAPPY DAYS ARE HERE AGAIN!

Trade surges as vaccine rollout continues... AND the Big Chill is over

TRADE between the UK and EU recovered in February after a steep drop in January following Brexit.

Official figures show that exports to the EU jumped by 46.6 per cent after firm struggling with new rules led to a 42 per cent slump at the start of the year.

The welcome news came as over-45s were invited to book for their COVID jabs.

And as the icing on the cake, met men say the chilly weather that brought snow to large parts of the country in recent days is on the way out.

Meanwhile, other figures from the Office for National Statistics showed the economy grew by 0.4 per cent in February, though it is still nearly 8 per cent smaller than a year earlier, before the pandemic.

An ONS spokesperson said: "Exports to the EU recovered

significantly from January, though still remain below 2020 levels. However, imports from the EU are yet to rebound significantly, with a number of issues hampering trade."

UK imports from the EU rose by 7.3 per cent in February, after dropping 29.7 per cent the month before.

Improving

The ONS said it was too early to make any conclusions about the impact of the new trading arrangements with Europe.

Sarah Hewin, of Standard Chartered Bank, told the BBC's *Today* programme the outlook for the UK economy was improving.

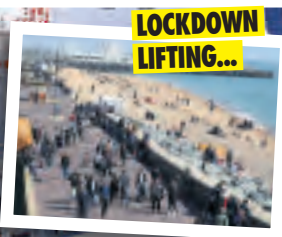

She said: "Confidence does seem to be picking up as vaccinations spread. We know

households have built up their savings in many cases during lockdown and as restrictions are eased people are going to be able to go out and spend those savings and that will be a big boost to the economy."

"As we saw from the scenes yesterday people are keen to get out and spend when they can. There will be more opportunities for travelling and going on holiday and spending in restaurants and pubs will see people spending to go out and enjoy themselves."

The latest ONS data also indicated that the economy did not shrink by as much as initially estimated in January. The statistics body said gross domestic product fell by 2.2 per cent in January, an upward revision from its original estimate of a 2.9 per cent drop.

Rory Macqueen, economist at the National Institute of Economic and Social Research, said: "Clearly much of the

economy has adapted to cope with COVID-19 restrictions... if the vaccine programme and lifting of restrictions continue on schedule this provides a firm basis for continuing growth in the second quarter and 2021 overall."

Yesterday the NHS website for booking COVID vaccination appointments crashed soon after the roll-out in England was opened up to over-45s.

The site ran into "technical difficulties" after those in the age group desperate to get vaccinated flocked online to book an appointment.

NOW BAN THE BAT MARKETS

THE World Health Organisation has called for a ban on the sale of live wild mammals in food markets to help protect against future pandemics.

A WHO-Chinese study into the origins of COVID published last month said that markets in Wuhan were a likely source of the current plague.

The WHO said: "The guidance calls on countries to suspend the sale of captured live wild

mammals in food markets as an emergency measure.

"Animals, particularly wild animals, are the source of more than 70 per cent of all emerging infectious diseases in humans, many of which are caused by novel viruses."

The WHO have concluded that the animal in which COVID originated, most likely a bat, passed the disease on to an intermediary species.

SEXY Sophie Howard was forced to join crowds as they surged back to the shops on Monday – because she'd run out of knickers!

The 30GG Southport stunna said: "I always like to have panties that are in tip-top condition."

"But after months of the shops being shut, some of mine were a bit threadbare."

"I told myself 'It won't be too bad' – but it was madness out there."

"Thankfully, I got what I was looking for."

Across the country, punters QUEUED as non-essential retailers opened their doors for the first time in ages.

Primark in Liverpool was due to open at 7am – but instead let customers in at around 6.45am, as it was so busy outside.

The queue was several streets long and the shop had to use doormen to ensure the opening remained calm.

Despite freezing temperatures in Nottingham, hardy shoppers queued for some time to browse its Primark.

LOTTIE'S LESBIAN RIMMING SHOCKER

It was a lovely picture of two young ladies, bubbling with youthful fun, kissing on the lips.

But in moments it was besmeared with RIMMING filth by vile readers of the hate-filled *Daily Mail*.

The tongue-in-anus incident began when little Lottie Moss posted a snap on Instagram showing her snogging best pal Sahara Ray.

Lottie, 23, the bargain basement half-sister of supermodel Kate Moss, shared snaps of the pair jewellery shopping and passionately kissing to her Instagram account.

Taking to her Instagram Stories, the model posted a shot which showed her window shopping in Beverly Hills with her 28-year-old so-called BFF: "We've been waiting to tell u guys but me and Sahara are engaged."

She followed up the post with an upload showing herself kissing her close friend on the lips, alongside the words: "I said yes."

Lottie later made it clear the engagement was a PRANK.

A reader cringing behind the pseudonym Ivor Sorwon leered: "Would like to see those two with their tongues up each other's aerosol."

The insanitary practice described by Sorwon is known as 'rimming' by sex people.

Last night, a pal of Lottie said: "Lottie is trying to make a decent living by selling readers wives-style filth on the adult content site Glow."

"And all the *Daily Mail* readers do is indulge their twisted fantasies of lesbian anilingus while, no doubt, furiously masturbating."

Ghislaine 'not to blame' for shitty stench

GHISLAINE Maxwell has denied not flushing the bog after taking a dump in her jail cell and says the stink of shit is down to a broken sewer!

The heiress's lawyer, Bobbi Sternheim, was responding to claims the accused madam (*above*) has let her cell at the Metropolitan Detention Center go down the toilet – in part, by not flushing.

"This past weekend there was a pervasive stench of sewage in Ms. Maxwell's unit necessitating guards to flush pipes by pouring water down open drains in an effort to trap and disperse gaseous emissions," Sternheim wrote.

"At times the stench in Ms. Maxwell's isolation cell has been overwhelming due to overflowing of toilets in the cellblock above."

Maxwell was arrested in July 2020 and charged with procuring underage girls for Jeffrey Epstein.

WITH ABROAD OFF-LIMITS AS CONTINENT DRIPS WITH THE DEATH PLAGUE...

WHERE TO BARE IN BRITAIN THIS SUMMER

IT may be a bit chilly just now but a new survey has revealed Britain's best NUDIST BEACHES!

With foreign trips off limits for the foreseeable, thousands of bare-arse bathers will be in the buff in Blighty this summer.

Travel experts from My Baggage have explored 11,000 miles of British coastline to reveal five of the most popular spots among people prepared to bare all and brave the Great British weather.

Naturists are a large community

By **GRACE HOOPER**
news@sundaysport.co.uk

of people across the globe who advocate a non-sexual social nudity lifestyle.

It is perfectly legal to be naked in public across England, Scotland and Wales. However, it does become an offence if it can be proved the person stripped off intended to upset, shock, cause fear or alarm.

Technically, this means that people can sunbathe in the nude on any beach. But the experience is much more likely to be a relaxed

and comfortable one on designated beaches that are non-judgmental about bare bottoms.

Due to our chilly climate, most beaches on this list of places to strip off are down South. This is so naturists can avoid getting too cold while working on pesky tan lines.

But one official nudist beach in the very north of Scotland has made the list for those brave enough to remove their sporrans in nippy temperatures.

A spokesperson at My Baggage said: "Trips to a nudist beach and skinny dipping in the sea won't be for everyone. But for Britain's

dedicated community of naturists, these beaches are a relaxing haven to wear nothing but your birthday suit.

"Most of the clothing-optional beaches across the UK are off the beaten path, laid back and less crowded than regular beaches.

"But being nude does not mean being lewd, so it is important to respect everyone else on the beach!

"Because these beaches are off the beaten track, many often don't have amenities like toilets or shops.

"So people thinking of giving a nudist beach a try should pack water, sun cream and snacks."

SILLERY SANDS, DEVON

WHILE this beach might be a slight mission to get to, it is well worth it for the secluded space and stunning views. Located just east of Lynmouth, naturists tend to stay at the north-eastern end of the beach, which has a sandy stretch at low tide and boulders and shingle below the cliffs throughout the day.

STUDLAND BEACH, DORSET

WHILE this beach has a nudist area, those seeking solitude should probably pass on this pretty beach, as it is extremely popular on sunny days. The south-east facing sun trap is regularly patrolled by National Trust wardens to ensure the beach stays clean and naked people don't stray outside the designated areas. The nudist beach is marked by posts in the middle mile of a three-mile-long sandy stretch, which is backed by sand dunes and heather.

BLACK ROCK BEACH, BRIGHTON

SET a mere five minutes away from Brighton town centre, their nudist beach is one of the most accessible in the country. The 200-yard stretch of the beach reserved for naturists is at the eastern end of the town, a stones-throw from the marina. There was much controversy when this spot opened in the 1980s, but today it is one of the most popular nudist beaches in Britain.

CRAKAIG BEACH, NW SCOTLAND

THOSE brave enough to bare all in the cold should give Crakaig Beach a visit. This beautiful sandy beach is set on the remote north-west coast of Scotland and backed by low sand dunes and fields. It is one of only a handful of beaches in Scotland solely dedicated to being a designated nudist beach. The section of the beach that welcomes nude people also has a river, with a pool wide enough to go swimming in.

SWALE NATURIST BEACH, KENT

A SHORT distance away from the popular sunspot, Leysdown beach, is a 250m stretch solely designated to naturists. Swale Naturist Beach has a mixture of sand and shingles, a large grassy area and boasts a beautiful view of the coastline. A lot of naturists set up camp on the grassy area, as it offers a little bit of shelter.

Aidan admits his sex scenes can be tricky

AIDAN Turner has explained why sex scenes can be "tricky" to film ahead of the release of his new historical drama, *Leonardo*, which is set to cause a stir.

The actor (above), 37, who is no stranger to scenes of an intimate nature given his five-years on *Poldark*, said it can still be awkward, depending on the director.

As he shares an embrace with a male co-star in the upcoming eight-part series about Leonardo Da Vinci, Aidan has become adept at handling sexual moments on screen, but is also aware of the pitfalls.

He said: "Discussions don't always happen."

"Some directors don't know what to say."

There can be an awkward atmosphere. No one wants to say or do the wrong thing.

"Those scenes can be tricky. It's dependent on the scene, but some can be more aggressive or unwanted."

"Everyone has their own experiences with such things and in their personal lives."

Just Eat feeds on huge need in lockdown

TAKEAWAY delivery giant Just Eat said order numbers soared by 79% over the past three months as lockdown sparked demand from housebound customers.

The Just Eat Takeaway.com group told investors it processed around 200 million orders in the first quarter of 2021.

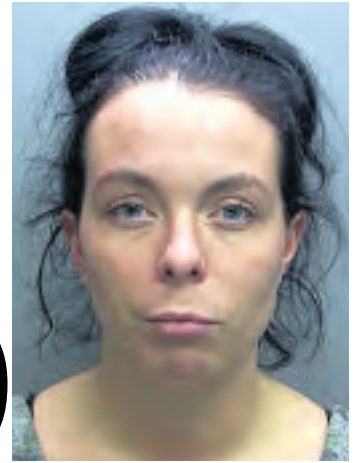

The company – created through the £6.2billion merger between Just Eat and Dutch rival Takeaway last year – said growth was particularly strong in the UK market.

Just Eat UK processed 64 million orders in the quarter, up 96% compared with the same period of 2020.

It was boosted by signing deals with chains such as Leon, Tortilla and Chipotle, as well as coffee brands Starbucks and Costa, to add to its portfolio of restaurants.

DIAGNOSED WITH PTSD: Hindmarch had been victim of domestic violence

Life's a beach for Rita!

RITA Ora looked sensational in a neon orange bikini as she sunbathed on Bondi Beach in Australia.

The 30-year-old star was enjoying a break from filming *The Voice* Down Under.

The *Hot Right Now* singer soaked up the glorious Sydney sunshine in a brightly coloured two-piece.

She showed off her incredibly trim physique as she leaned backwards, cheekily flashing her underboob.

Rita told her followers: "Wishing everyone the best beginning of the week...I love you guys so much."

Caged as court hears she swapped X-rated vids with youngster

A MOTHER-OF-THREE who filmed a sex romp with a schoolboy after exchanging text messages with him on Snapchat has been jailed for nearly three years.

Sophie Hindmarch, 27, began sharing messages with the 14-year-old in 2019 before contact between the pair escalated and sexualised images and videos were exchanged, Carlisle Crown Court heard.

The pair had sex for the first time after meeting at Hindmarch's home, when she reportedly told the teenager he had left his lighter upstairs.

The abuse was finally brought to light after the 14-year-old told his father about what had happened.

Earlier this month, Hindmarch admitted nine counts of engaging in sexual activity with a child.

Abuse

The mum-of-three, from Penrith, Cumbria, has now been jailed for two years and nine months and given an indefinite sexual harm prevention order.

Prosecutor Hugh McKee said the schoolboy had estimated he and Hindmarch had met at her home to have sex between 10 to 13 times.

On one occasion, Hindmarch had used her mobile phone to film herself having sex with the schoolboy, the court heard.

Police were alerted to the abuse after the schoolboy told his father

about his meetings with Hindmarch.

Officers then seized mobile phones and other devices from the boy and Hindmarch and found a number of sexualised messages shared between the pair.

Hindmarch initially denied the offences in a police interview before pleading guilty in court.

Judge Andrew Jeffries QC said Hindmarch had been diagnosed with complex post-traumatic stress disorder after being the victim of domestic violence and observed there was "substantial mitigation" in her case.

Detective Constable Emma Armstrong said: "Hindmarch was aware that what she was doing was wrong, telling the victim to delete messages between them. 'I would urge anyone who has been subject to offences of this nature to come forward.'"

It comes after an investigation carried out by Pc Stuart Ward, the first dedicated hate crime officer within a football policing unit.

It is alleged a message was sent during a 5-0 defeat by Manchester City.

Saint Kitts and Nevis international Sawyers, 29, played for West Brom between 2009 and 2013 and rejoined the club from Brentford in 2019.

BAD SHAG IS A GIRL'S BIGGEST SEX FEAR

By JAYNE FERGUSON
news@sundaysport.co.uk

THE Top 10 sex fears of men and women have been revealed in a new survey.

Women's biggest fear is that the sex will be a letdown with no natural chemistry.

The second biggest female worry is that their partner will not like their body, mainly their boobs.

After that, their sex insecurities include whether they have sorted out their bikini line and shaved their legs, worries over their Bridget Jones big knickers and fears over whether or not they will orgasm.

The results are from a survey of 2,000 people by *IllicitEncounters.com*, the UK's leading affairs site.

Men's sex fears are strikingly different.

In top place is worries about sex being over too soon.

That's followed by insecurity about if she will have an orgasm, body concerns, worries about the size of his cock and anxieties that she's faking an orgasm.

Hubby jailed for helping scam wife fake death

A MAN who admitted helping his wife fake her own death so she could dodge prison time has been jailed for eight months.

Rodney Wheeler, 48, pleaded guilty to conspiracy to obstruct justice in the case that sparked a massive three-day search for his wife, Julie Wheeler.

Prosecutors said the couple conspired to fake her death in an effort to avoid a potential 10-year prison sentence after she pleaded guilty in February 2020 to scamming health authorities of more than £250,000.

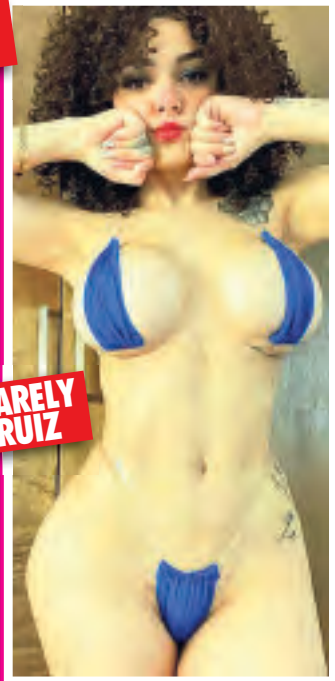

Rodney Wheeler called cops to claim that Julie, 44, had fallen into New River Gorge in West Virginia.

It sparked a multi-agency search and rescue operation involving hundreds of volunteers.

But Julie (above) was found "alive and well" two days later by West Virginia State Police, hidden in a wardrobe inside their Beaver home.

Cops locate castration victim after more than two years

POLICE have tracked down the owner of a severed penis and testicle found in a man's freezer after a second victim's privates were mangled in a botched 'surgery'.

Ryan King was charged with grievous bodily harm with intent to maim in July 2020 after he allegedly cut off a man's testicle at a backpacker hostel. The 28-year-old's alleged victim, who he met online in a castration fetish chat room, needed emergency medical treatment to stop blood gushing from the wound during the 'surgical procedure'.

Treatment

Paramedics were called to the hostel to treat the alleged victim and cops searched King's home in Brisbane, Australia.

Inside a freezer, officers found a different, unknown, man's penis and testicle.

Through their investigations, which included looking at King's GoPro footage, police have now tracked down the other alleged victim.

King, an electrician who once trained as an apprentice butcher but has no surgical qualifications, allegedly travelled to Melbourne in

2018 to perform the consensual surgery for that victim.

He allegedly removed the 66-year-old man's penis and one testicle, then travelled home to Brisbane with them, storing them in his freezer for up to two years.

The pair allegedly met up again on September 2, 2019, where King is accused of removing the other testicle.

The 66-year-old man never complained to police about the alleged procedure but visited hospital for treatment.

He was found by police after they investigated his online history.

Police allege King used a scalpel on the second victim, while a Cryopen – which removes skin lesions – was the tool for the procedure at the backpackers' hostel.

The man whose genitals were allegedly removed at the hostel flushed his own testicle down the toilet, police claim.

King was hit with a second charge of doing grievous bodily harm with intent to maim on September 22 last year.

Pizza nut pulls gun at workers

A DOMINO'S customer who wanted his toppings SEPARATE from his pizza threatened workers with a GUN when told they couldn't do it.

Victor Fortner, 34, allegedly drove up to the restaurant's drive-thru and began arguing about the toppings.

He reportedly threw several pizza slices at the workers in the restaurant.

He then allegedly pulled out a gun and pointed it at staff before driving off.

Police in Rochester, Minnesota, later tracked down Fortner, who admitted to visiting the Domino's pizzeria but denied pointing a gun at the workers.

Police did not find a weapon in his car.

While it was initially stated that he would be facing assault charges, Fortner was instead fined for disorderly conduct.

Teen tells cops: I've got gran's head in my bag

A TEENAGER walked into a police station, dumped a carrier bag on the front desk and declared: "I've beheaded my gran."

Sure enough, inside the bag was the severed head of the 19-year-old's grandmother.

A court in Kisumu, Kenya, ordered the teenager to be remanded in custody while a mental assessment was carried out.

The court heard the suspect, from the Kilo area, beheaded his grandmother under unclear circumstances.

He then placed the severed head inside a bag and surrendered himself to the Kisumu Central Police Station.

The gruesome incident left officers shocked after the accused requested one of them to open the bag and take a look inside.

The teenager's motive remains unclear.

Dad's crazy zoo elephant stunt to impress daughter

A MAN tried to break into the elephant enclosure at a local zoo to "impress his daughter," authorities said.

Armond Bullocks allegedly climbed over a locked fenced area in the outdoor exhibit at the Milwaukee County Zoo in Wisconsin.

He then began to scale a second fence but was stopped by park workers before reaching the zoo's two African elephants.

"The individual was stopped from going where he really could have gotten hurt," Tim Wild, the zoo's Curator of Large Mammals, said in a statement.

Milwaukee County Sheriff's Deputies said Bullocks was spotted sitting on the fence and dangling his legs into the exhibit.

Bullocks, 27, was fined for trespassing.

Zoo officials warned the stunt could have ended far worse than it did for the daredevil dad.

CURVY Carrina loves to flaunt her curves and says horny men can't stop staring at her 32HHs!

The 25-year-old model, originally from Hungary, said it's not just blokes who ogle her norks, as she once had another woman wanting to cop a feel, too.

Posing with her huge pair on display for this exclusive new photoshoot, Carrina said: "I get used to truckers staring at me when I've got the top down on my car in summer."

Boobies

"But when I travel on public transport, it seems EVERYONE is staring at my boobies!"

"One sexy woman came and sat next to me on the bus and asked, 'Are they real?'"

"I said, 'Sure they are...do you want to feel them?' And she did!"

"Most of all I like it when hot guys play with my breasts."

"And to be honest, most men go straight for them."

Law girl told she's too sexy to visit jail...

YOU'RE MAKING THE PRISONERS W*NK!

By GRACE HOOPER news@sundaysport.co.uk

A SEXY lawyer is suing her boss after he claimed her revealing outfits made prisoners FURIOUSLY MASTURBATE when she visited jails.

Former public defence lawyer Jami Pellerin filed a lawsuit against District Public Defender G. Paul Marx accusing him of firing her after she reported his inappropriate comments.

Pellerin claims her boss repeatedly made sexual and sexist remarks to her in the three years she worked for the public defence team in Lafayette, Louisiana.

These included asking her about her sex life, telling her to dress 'less attractive' and warning her he could fire her for being 'too attractive'.

Harassment

Pellerin also alleges she was underpaid compared to her male colleagues since being hired in March 2017.

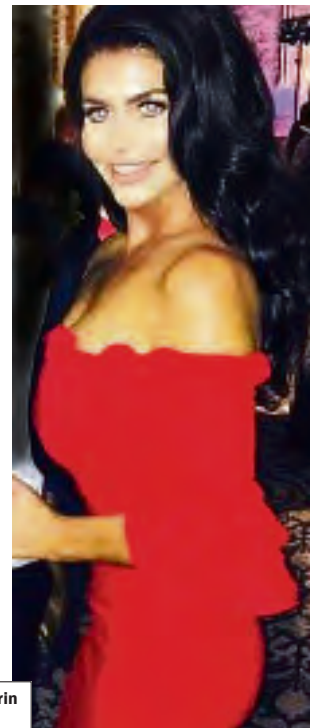

Pellerin says she was fired in March 2020 in retaliation for complaining about the alleged unequal pay and harassment.

Marx denies the allegations, branding them 'sick lies', and claims Pellerin was fired for missing training to attend a wedding.

The lawsuit cites one incident in September 2019 where Marx told her that her outfits were inappropriate and she should dress more 'like a nun'.

Pellerin was told her appearance was causing inmates at the parish jail to masturbate and it was her responsibility

RED HOT: Pellerin in sexy outfit

to dress 'less attractive'.

Marx allegedly told her: "Men don't have self control. As their attorney and an employee of the public defender, you have to protect these men from

their basic instinct by being less attractive."

Marx says Pellerin has a 'vendetta' against his office and the suit is based on 'scandalous quotes that were fabricated in large part'.

Black politician death: TV shows 'wrong man'

YANK news channel MSNBC has admitted airing footage of the wrong man while reporting the death of a senior black politician.

"Earlier when reporting on the death of Rep. Alcee Hastings, we showed video of Rep. Bennie Thompson," the network's Hallie Jackson tweeted on her 10am show *Hallie Jackson Reports*.

"We deeply regret the error. Congressman Hastings served the state of Florida for nearly three decades and deserves a tribute worthy of that service," the host said.

Hastings, a former federal judge, announced two years ago that he had pancreatic cancer. He was 84.

SEX ASSAULT WOMAN GRABBED COP'S COCK

A WOMAN is facing sexual assault charges after she grabbed a cop's cock THREE TIMES!

Araceli Neri-Arroyo, 46, is charged with third-degree assault on an officer and third-degree sexual assault.

Court records indicate the officer responded to a report of a disturbance involving patient Neri-Arroyo at Kearney Regional Medical Center in Nebraska.

While talking to the woman, Neri-Arroyo allegedly reached out with her hand and "cupped" or "grabbed" the officer's genitals.

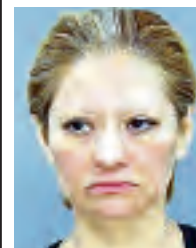

Records say the officer made clear loud statements to Neri-Arroyo to "not grab his genitals".

When Neri-Arroyo tried to grab the officer a third time, she was arrested.

At the Buffalo County Jail, Neri-Arroyo became combative as the cop tried to take off the handcuffs.

As the officer tried to gain control of the woman, records indicate Neri-Arroyo bit him.

Neri-Arroyo (left) is due in court later this month.

The model, 35, looked sensational in her sheer thong bodysuit for Mugler's Spring/Summer 2021 virtual runway show.

That's something to do with fashion. We were too busy looking at her shapely ARSE.

Irina took to Instagram to show fans the delicate design as she posed by a mirror behind the scenes of the show.

In one snap, Irina had her hands on the mirror and gazed seductively at the camera while showcasing the back of the ensemble.

Another had her hands over her chest as she stood directly in front of the camera.

"Fittingzz", the sexy star captioned her Instagram post. So here's some more ladies posing in front of the mirror, wearing not a lot...

The Iceman

HITMAN:
Kuklinski
racked up
around 200
victims

RICHARD Kuklinski – aka The Iceman – was a real-life mafia hitman for all six major U.S. East Coast crime families throughout the 60s, 70s and 80s.

The New Jersey-born mobster carried out hits for the notorious Gambinos, DeCavalcantes, Luccheses, Genoveses, Colombos and the Bonannos.

Throughout his career he would rack up almost 200 murders, including every friend he ever had.

He was given the nickname The Iceman by school contemporaries for his cold-heartedness.

And police officers revived the moniker again after they discovered he had frozen the body of one of his victims in an attempt to disguise the time of death.

Kuklinski was eventually caught and sent to prison in 1988, ending nearly three decades of murder and mayhem.

His story was made into a Hollywood blockbuster – 2012's *The Iceman* – starring Michael Shannon, James Franco, Winona Ryder and Ray Liotta.

BABY Kuklinski was born in 1935 to a world of poverty and abuse.

His father Stanley beat his wife, Anna, and their children mercilessly.

When Richard was five, he witnessed his father beat his eight-year-old brother to death.

His parents covered it up by saying Florian had fallen down a flight of stairs.

Growing up, Richard was bullied not

By **KOURTNEY KENNEDY**
news@sundaysport.co.uk

only in his home but at school and in the streets, too.

It resulted in him beating his childhood bully to death.

While he had set out with the intention of getting the kid off his back, Richard found he just couldn't stop hitting him.

By the time he did, Charley Lane wasn't moving any more.

He then pulled out all Charley's teeth and cut off the fingertips so the body couldn't be identified.

Richard was only 13 years old.

Three years later, when he was 16, he would commit his first premeditated murder of a cop, Officer Doyle, who made fun of him during a game of pool.

Kuklinski set the man on fire and watched him burn alive.

As a young man in New York, he often walked around the Upper East Side of Manhattan, provoking fights with people on the street.

The killer hobby had begun when a homeless man accosted him for money and wouldn't take "no" for an answer.

Richard stabbed him and left him lying in the gutter.

He said he enjoyed walking past the dead body on his way back home afterward, as it made him feel a sense of accomplishment.

Raped

Richard placed the number of random men he'd killed during that time at around 50.

But his total victim count would reach 200.

When his younger brother Joey was 25, he lured a 12-year-old girl to a rooftop where he raped her, then threw her and her dog over the side of the five-storey building.

When Joey was arrested, he confessed to the murder and was sent to Trenton State Prison for 33 years.

They would later share a cell block when

REAL-LIFE MOVIE KILL

Richard was sent to prison over 20 years later, though there was no brotherly love between them as they "shared the same father".

Barbara Kuklinski was the unluckiest person in Richard's life.

When they were originally dating, and she decided she didn't want to see him any more, he literally stabbed her in the back.

Then Barbara got pregnant and, to protect her honour, her family insisted she marry Kuklinski.

They even paid for him to divorce his first wife, Linda, with whom he also brutalised and was estranged.

That first family he left behind, including two children, would be

the lucky ones.

Once remarried, he beat Barbara so often and so badly that she had three miscarriages before their first child was born.

This would be her life up until Richard was arrested in 1988.

She knew he was a monster – but claimed to have no idea about his secret life as a mafia hitman.

Richard and Barbara had three kids and while he went to great lengths not to beat his children – sometimes punching himself in the face until he passed out – the emotional abuse inflicted on them was rampant.

Only Merrick, his favourite daughter, said she loved him until the day he died in 2006.

She was the only one

he claimed to have loved back and had told her the story of his own abusive childhood.

Merrick was greatly offended by the portrayal of her father in the 2012 movie *The Iceman*, starring Michael Shannon and Winona Ryder.

Shot

The film had strangely depicted Richard as a loving family man.

But Merrick later told Ryder, who played Barbara: "If the character you played had been my mother, my life would have been very different."

One day, while fiddling with a new weapon on the side of the road, Kuklinski had politely called over a stranger and then shot him in the

eye with it.

When asked why, he said it was just to see if the crossbow worked.

It did.

A similar event occurred when Richard was asked to prove he could kill by a fellow mobster, Roy DeMeo.

He calmly walked up to a man who was out walking his dog and shot the pedestrian in the head.

Without any change of expression, he crossed the street back to DeMeo, who offered him a job.

His favourite methods of execution were cyanide poisoning and feeding people alive to

his warehouse full of rats.

With poisoning, he'd slip it into people's sandwiches, or inject his victims with a syringe.

The cause of death was usually just chalked up to heart failure.

He also practised a move he called "The Tree", where he would tie a rope around a person's neck and throw them over his shoulder, effectively hanging them until dead.

Eventually, Kuklinski came to the attention of law enforcement when an investigation into his burglary gang linked him to several murders.

An 18-month long

undercover operation led to his arrest in December 1986.

In 1988, he was sentenced to life in prison after being convicted of killing two members of his burglary gang and two other associates.

Poisoning

In 2003, he received an additional 30-year term after confessing to the murder of a mob-connected police officer.

Kuklinski would eventually die from a rare illness called Kawasaki disease that usually only affects

Japanese children.

It also just so happens to mirror the symptoms of mercury poisoning.

His death occurred after he'd given several interviews sharing mafia secrets – and it's widely believed his death was an inside job.

Kawasaki disease ultimately led to Richard going into cardiac arrest.

Barbara Kuklinski had previously signed a "do not resuscitate" order and, a week before he died, hospital staff asked if she'd like to change her mind.

She said no.

HORROR HOUSE
SEX KILLER CUT
UP GIRL WITH
ELECTRIC SAW

By COLIN HURST news@sundaysport.co.uk

A MAN murdered a woman he kept chained up as a sex slave, chopped her up and then buried her at his remote home.

Russell Tillis, 59, was found guilty of kidnapping and killing Joni Gunter, 30.

Her dismembered remains were found buried in the yard of Tillis' Southside home in Jacksonville, Florida, in 2016.

At his trial, the jury also found Tillis guilty of abuse of a dead body but not guilty of human trafficking.

Tillis faces being sentenced to death or at least spending the rest of his life in prison.

Prosecutors had laid out the gruesome details of case, saying Tillis chained Joni Gunter in his home and sold her in a sex trafficking operation.

Assistant State Attorney Alan Mizrahi said the victim was killed by multiple blows to the head, consistent with wounds made by a hammer.

Raping

Tillis refused to answer when asked if the saw blades wore out while cutting up the body and if he had to use multiple blades.

He was accused of taking advantage of vulnerable women, raping and even imprisoning them.

"He admitted in shocking detail how he trafficked her flesh by selling her to friends so they could have sex with her for money that he profited from," Mizrahi said.

Gunter's remains were found buried in several different spots in the yard of Tillis' home, according to police evidence.

Cops and neighbours

HAMMER BLOWS: Tillis

SEX SLAVE: Joni Gunter

called it a "House of Horrors".

At the time of the discovery of Gunter's remains, Tillis was already in jail on unrelated charges.

Defence Attorney Chuck Fletcher told the jury that Tillis knew about a body on his property but that he had nothing to do with her murder.

MOUTHWATERING Maria is delighted now that the so-called "non-essential" shops have reopened.

Because the lack of retail therapy was driving the 32C cracker round the bend.

She said: "You take going to the shops to buy a new outfit for granted."

Cheer

"But when you can't do it, to cheer yourself up, say, it's so frustrating."

"And let's face it, we need to cheer ourselves up at the moment."

The Newcastle cracker said: "I didn't waste any time. I was first in the queue at the Metro Centre when the clothes shops reopened!"

JUSTIN DUNN'S ROOM 101

WHAT'S ANNOYING HIM THIS WEEK?

A proper man... unlike the Trots who smear his memory

IT'S a long, long time since I lost my grandad.

And it's occurred to me that there is one thing I didn't realise at the time, but very much do now.

No one cheered. No one "took to Twitter" to tell the world what a ghastly person they had considered him to be.

No one dived to the comments section on certain newspaper websites to lacerate a pensioner they had never even met.

They just said goodbye to an old soldier, a bloke missing one leg from World War II, raised a glass and treated his passing with the dignity it deserved.

That was my second grandad to die.

The other one, my dad's dad, a glider pilot in Operation Market Garden, was shot down and killed over Arnhem when he was still in his 20s, with four kids at home.

Bile

Both men are still remembered today, though.

Blokes who gave their all so that modern society could have everything that it now does.

What a shame the shrieking Trots can't put down their phones for a second or two and do the same for another old military man, Prince Philip.

As IF a single one of them will ever manage to achieve anything like the Duke of Edinburgh did over nearly ten decades.

The same people "taking to Twitter" to drip bile about the

Duke's death are the same people who dye their hair green and glue themselves to aeroplanes.

The same people who are somehow unable to get people they call "c***s" to vote alongside them.

And yes, frankly, many of the same people who thought Magic Grandpa was going to save us all by scrapping the army, embracing Middle Eastern terrorism and eating a marrow soup diet.

When did all this begin to happen?

When did we stop offering our sympathy and commiserations, and swap them for insults and slurs?

For all of Philip's infamous public gaffes, I always considered him the most near-to-normal of the Royal Family.

God knows how

knackering it must be to get off a plane somewhere in the middle of nowhere, eyes squinting into the sunshine after a 12-hour flight...

...only to have a local troupe then perform a nine-hour welcome dance before you've even had a chance for a wee.

We'd all crack eventually. Philip just did it within the range of microphones.

So, if you're thinking about writing something utterly ridiculous about an old man, you've never even met, take a moment.

Look in the mirror. Say: "You! You're a twat!"

And then raise a glass to a bloke who did a lot more for this country and the people in it than you'll ever do.

Just like you, quite rightly, would do for your grandad.

Car tosser 'didn't want to be caught doing it at home'

A MAN arrested for masturbating while parked outside a supermarket told cops he did it there because he didn't want his mum to catch him wanking at home.

Witnesses reported seeing Cruz Humes, 22, in an SUV parked outside a Publix store in Coral Springs, Florida.

Humes had his penis exposed and was masturbating while "watching something on his phone".

When detectives confronted Humes, he "had his pants and underwear off and his phone open with an adult pornography site visible".

Humes reportedly confessed to the public indecency, saying he was "stressed out" and "came to the parking lot of the Publix to masturbate".

Humes, who works at the chain supermarket, added that he did not want to risk getting caught masturbating at home by his mum.

Humes (above) was charged with two counts of indecent exposure.

Cops called in to tackle cemetery monkey business

A HUNT is on for several monkeys who escaped from a private collection and were later seen going bananas in a CEMETERY!

Police and volunteers are searching for the primates at St. Joseph's Cemetery in Cincinnati.

"My mom thought I was crazy. I said, 'Look, there's monkeys out here!'" said Alycha Tucker, who caught sight of one as she went out to get her cat.

"Then I heard it making the noises, not 'ooh ooh aah aah' stuff, but grunts, so I didn't know what it was," she said.

"I saw it, just standing there, taller than a garbage can, and its arms were real long hanging down and its arms are real skinny."

Police said they have contacted Cincinnati Zoo to help them round up the simians.

HI-JINKS THAT ARE **NOT** IN HIS NEW BOOK...

JOE BIDEN'S SON 'BUMMED UP THE ARSE BY STRIPPER WITH BRAND-NEW DILDO'

SHOCKER: President and son Hunter

Christine works up a sweat!

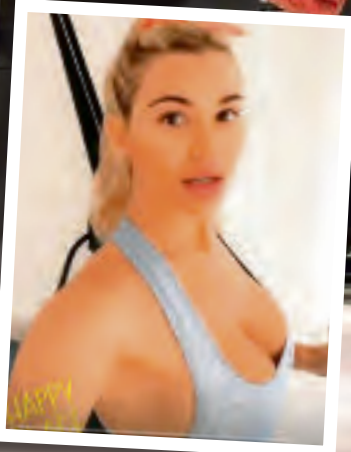

WHEN lockdown lifted a bit on Monday, most people rushed to their nearest pub beer garden.

But fit Christine McGuinness headed straight for the GYM.

Real Housewives of Cheshire star Christine, 33, worked up a sweat in a blue crop top as she declared she "felt so good" to be back at her local fitness centre for the first time in months.

The stunning wife of Paddy McGuinness still managed to look radiant as she went make-up free and swept her tresses into a ponytail.

The mum-of-three wrote: "Finished! I'm smiling inside, honesty. It felt so good, Gym. I've missed you! What did you choose today?"

PRESIDENT Biden's wayward son Hunter has won plaudits for his searing memoir *Beautiful Things*, which tells of his struggles with addiction.

But one story that is NOT in the tell-almost-all book involved a frack-fuelled night at a strip joint, an obliging stripper and a DILDO up the arse!

Hunter reportedly asked a strip joint worker to pop out and buy him a sex toy that strippers then used on him at an X-rated New York club.

The shocking claims came after Biden was accused of frequenting strip clubs where he met erotic dancer Lunden Roberts, who later sued over the paternity of her child.

Roberts, who uses the stage name Dallas, demanded that Hunter take a test to prove he is the father of her baby, despite his denial.

But it was a tryst with another stripper that led to one of the most bizarre nights of Hunter's life, according to the respected New York Post.

He allegedly visited Larry Flynt's Hustler Club NYC in Manhattan twice in 2018, where he spent several thousand dollars.

On one occasion, the son of former Vice President Joe Biden is said to have sent an

By SUZIE SHELTON
news@sundaysport.co.uk

employee out to buy a dildo for strippers to use on him.

Both times he and his companion holed up in a private room, where they ordered bottles of expensive booze and were joined by several strippers, sources said.

One night, a worker had to be sent out to purchase the sex toy so the girls could use it on Hunter's ARSE.

Despite the lurid claims, Hunter, now 51, was described as an almost-ideal customer by those that work there.

"He was a pretty nice guy," one source said.

"He was pretty friendly and a pretty good tipper."

THE WORLD FAMOUS AGONY

Page

Dear Tess,

I WORK for a delivery firm and take parcels all over the country. Over the years I have built up quite a regular "round" of online shoppers.

And I have one or two ladies who have come to expect a "special" delivery from me.

My favourite is a blonde who is younger than me but willingly spreads 'em every time I call.

Recently, I was dropping off a parcel for her – which turned out to be a copy of the Kama Sutra.

She thumbed through it and had us both naked in an instant. She was surprisingly moist and guided my eight-inch inside her.

Then I rammed her good and hard, just how she likes it. Now she wants me to go through the book with her, but she lives miles away from me – and I'm married.

What shall I do?

KS, Cumbria

Tess says...

KEEP shagging, the Kama Sutra will spice up your sex life at home too.

Dear Tess,

I TOOK up cycling during the lockdown and it's totally changed my luck with women.

I spotted a busty blonde out for a walk the other week as I went for a ride around some country lanes.

At first I pretended there was something wrong with my bike and stopped near her.

We got chatting and I ended up doing her in the field behind a hedge where we couldn't be seen.

And a couple of nights ago I saw a tasty brunette out for a ride – and I pulled her, too!

She gave great head and loved it doggy-style.

The problem is, after all this cycling and shagging I've done my back in and now I can't go out for a ride.

What should I do?

RD, west Midlands

Tess says...

GO for a walk and see if you get lucky.

Big-boobed stunna cheated on me with big-belly bloke

Dear Tess,

I'M 24 and my girlfriend is 20. She's a beautiful, blonde, with big boobs and a tiny, firm arse.

All my mates are dead jealous and I've even noticed the fat, old fella up the road eyeing her up.

Last week I got home from work early and heard strange noises coming from our bedroom upstairs.

I thought it might be a burglar, so I crept up the stairs ready to have a go at whoever was there.

But I got a shock when I got to the bedroom. The door was slightly ajar and I could see this big bloke doing my bird!

His massive, hairy belly slapped against her perfect bum and his hands gripped her waist

as he pounded her from behind. She seemed to be loving it as he banged away for what seemed an age.

Then he laid her on her back and rammed her hard before eventually shooting his load on her tits.

I left without them noticing and now I've got a big decision to make.

Should I tell her I know and risk losing a beautiful blonde with an amazing body?

Or should I keep quiet and keep the peace?

NG, Cornwall

Tess says...

FIND yourself another stunna as soon as possible.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week TESS O'REILLY has been reading through your letters. And here's her advice for you...

Sex tape viewing led to a thrilling threesome

Dear Tess,

MY boyfriend asked me if he could film us in bed and I thought "Why not?"

Although I'm 45, I'm proud of my firm body and ample 36DD boobs and I'm certainly not ashamed to show them off.

So one night he set up the camcorder and filmed us as we got down to it.

I found it a real turn-on being filmed as I swallowed his penis. He banged me in several positions before finishing me off doggy-style over the edge of the bed.

Filthy

We watched the film together several times after, and every time we ended up shagging each other's brains out.

Then one evening I came back from work early and I heard someone laugh and shout out "God, she knows how to f*ck!"

When I peeped through the gap in the door, I saw my man and his best mate watching our private movie!

Far from being shocked or annoyed, it gave me a real thrill to think that some hunky blokes were getting a kick watching me being so filthy.

I yelled I was home and

my bloke rapidly switched the TV off.

I was feeling horny as hell and after a quick shower I slipped on a silky short nightie with no undies and went downstairs.

I sat in front of my boyfriend's mate and deliberately opened my legs.

He gawped at my minge and soon had a bulge in his trousers.

I went to the TV and pressed play before telling my other half how he'd been a naughty boy, then returned to the sofa and told him to come and get some more.

Within seconds, he'd buried his head between my legs.

I grabbed his mate, unzipped his trousers to release his thick manhood and began sucking long and hard while pulling the shaft up and down.

Groaning, he asked my fella if it was okay to have sex with me and, before he could answer, I replied that

someone better had because I was gagging for it.

So my man got up from between my legs and his mate started thrusting in and out of me like a train while my fella put his cock to my lips and I took it deep down my throat.

Altogether I was bonked about six or seven times, but I lost count of the number of orgasms I had.

Later my partner said what a turn-on it was for him seeing me get it from another man.

He wants to do it again, but I'm thinking word will get around and I'll be labelled a slut. What do you think?

DR, south Yorkshire

Tess says...

SEX should be fun, so carry on having a good time with your fella and his mate.

Dear Tess,

I WAS devastated when I split up with my girlfriend after four years together.

About a week after the split, I was surprised to get a visit from her mum.

She said she had come to tell me how upset she was at the break-up.

We shared a few bottles of wine and, as the night wore on, it became obvious she was coming on to me.

I'd often thought about shagging her – she's 45, blonde, and has got a great body.

So when she put her hand down my pants, I thought I'd go for it.

She told me how horny she was feeling as she took her clothes off and wrapped her boobs around my cock.

She then sucked my throbbing Johnson until I shot my wad all over her massive mammaries.

Since then we've had a couple more sessions and I was quite happy with the arrangement – until my ex told me she wanted to give our relationship another try.

I agreed because I love her, but I feel so guilty. When we visit her mum, the atmosphere is terrible.

We are now engaged, but I don't think I could marry her, not with this secret in the background.

What should I do?

DB, Teesside

Tess says...

WHAT the hell is wrong with you?!

Tess says...

YOU'VE nothing to feel guilty about. Technically, you were single at the time you were seeing her mum.

Nympho lover has knackered me out

Dear Tess,

MY girlfriend is amazing and I really love living with her.

But my problem with her is that she is a raving nymphomaniac and I am finding it very difficult keeping up with her sex drive.

I work hard at my job and when I get home late at night I'm usually pretty knackered.

But as soon as I walk in the door she's there, in the front room, lying naked on the rug exposing her moist, shaven fanny and with a daft grin on her face.

She won't even let me take my boots off before she's got my dick out – slobbering all over it and sucking on my swollen balls before straddling my length and riding me hard.

Sex slave

It's the same story all evening. I hardly get a moment to have some food or watch telly until we go to bed at around 11pm.

And even then it's sex and more sex until eventually, at something like 2am, she falls asleep and I finally get some peace.

But I have to be up again at 7am, so I'm always shattered.

I don't know whether I can take much more of being her sex slave. What can I do to satisfy my girlfriend's desire?

MC, Essex

Tess says...

WHAT the hell is wrong with you?!

'I want to go dogging and put on a wild X-rated show'

MY biggest turn on is the idea of going dogging.

"It's something I've never done... but it's on my sexual bucket list!"

"I love the thought of being watched by strangers, because I'm a total exhibitionist."

"It would be so hot to go to a known dogging spot – I hear they're typically car parks in parks – with a bloke I'm seeing and get really naughty together while a crowd gathers round our car."

"Seeing them getting turned on by us and touching themselves would be a real thrill."

"I would put on an X-rated porn star like performance. That would be wild."

"I've seen in blue movies people dogging, winding down their windows so that the blokes standing round the car can reach in and caress the girl's boobs. That would be so arousing."

"Maybe I would get carried away and let them do a little more... and have some full on group action!"

LUSTY Lauren Smethwick has a very naughty fantasy...

The 32C cracker, from Leeds, revealed: "I LOVE the idea of being a call girl – a high class one of course!"

"Obviously, I don't want to sell my body but I do like to role play."

"It feels so naughty getting dressed up super sexy and then behaving like a whore."

"Think Julia Roberts in the film *Pretty Woman* – she looked so hot in her thigh-high PVC boots."

Lauren added: "Role play gives you the chance to act out a naughty side to you."

"I love meeting my boyfriend in a hotel bar and pretending that he's a client."

"I get a real kick out of people looking at us, at my slutty outfit, and wondering if I'm a prostitute."

"Then we go to the hotel room and, of course, I insist he hands me over my money first."

"Then I'm pure filth, as it's all about sex. And he must get his money's worth!"

SPECIAL OFFER: ANY 3 PRIVATE SHOPS DVDS FOR £25 (was £75)

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Down on Abby* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another £5 OFF the already low, low price.

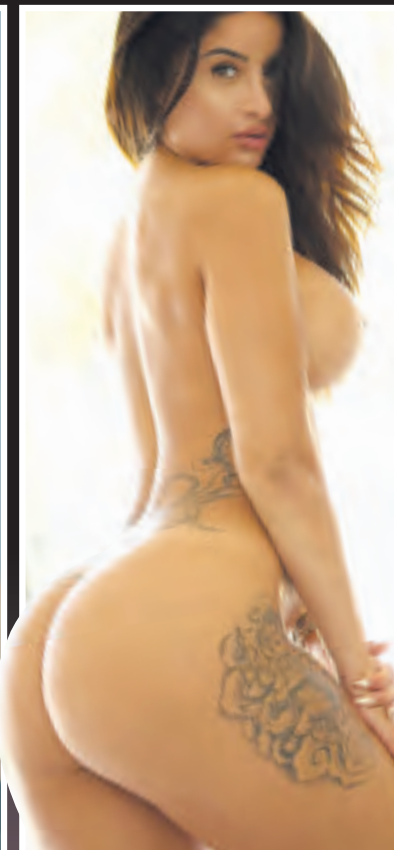

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Small*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

DANIELLE ANDERSON

STUDENT Jacob Hardacre wanted a photo of topless beauty Danielle Anderson to stick up on his wall.

Jacob, 21, from Hull, is currently studying Sport Science but said there's no girls quite like Danielle from Winchester on his course.

He said: "My older brother reads the *Sport* and bought me an online subscription when I went to university."

"Danielle is the stand-out model for me, those 30FF boobs are something else."

"There's no girls quite like her!"

VICKI THOMAS

RETIRED lab technician Kevin Griffin begged for a topless photo of glamour legend Vicki Thomas.

The 66-year-old, from Carlisle, has fancied the pants off Vicki for almost 30 years and asked for a shot of the Weston-super-Mare babe.

He said: "They don't make women like Vicki up here in Cumbria."

"There must be something in the water down in the south-west."

"If my favourite paper could print a topless photo of her, it'd make my year!"

Enjoy!

ALEXIS JONES

SHOPFITTER Alan Collins loves Alexis Jones's fullsome boobs.

The 54-year-old, from Torquay, says Alexis is the perfect woman.

He asked for a topless snap of the Maistone-born babe and her 30Gs and said: "She's a real beauty!"

"If a night with her was ever up for auction I'd be the first in the queue and I'd splurge my life savings on that."

"It'd be worth it!"

CURVY Charlotte Springer has confessed she loves unleashing her inner DOMINATRIX.

Forget Christian Grey fantasies, this naughty minx wants to find a man willing to lie back and let her have her wicked way with him.

The 34E babe, from Brentwood, Essex, revealed she'd lock the lucky fella in a sex dungeon and wouldn't stop until they were both satisfied.

Charlotte said: "My fantasy would be to take a man into a full-on sex dungeon for some no-holds-barred nookie!"

"I'm generally a dominant person and those personality traits definitely carry over into the bedroom."

"The submissive role just does not come naturally to me. I guess you could say I'm bossy, but I just know what I like and I'm not afraid to ask for it."

"And guys seem to love it – I've never had any complaints!"

KOP
FAN:
Neville

Neville backs Reds to Kop top four spot

By JOHN ANTHONY

LIVERPOOL should be happy with their season if they make the top four.

That's the verdict of Gary Neville who loves nothing more than winding up Kop fans. But he's being genuine as he thinks a long injury list has hit Liverpool for six this year.

To play most of the campaign without Virgil Van Dijk, Joe Gomez and Jordan Henderson gave the Reds a mountain to climb.

And they have done well to stay in contention give all their ups and downs.

Neville said: "It's really important that Liverpool get into the top four."

"They won the title last season and have had an exceptional three years, now that they've got the chance to get into that top four, you couldn't say it's a priority over the Champions League."

Moment

"But the reality of it is that from where they've been, and they've had some difficult moments in these last few months, the top four would be a good result at the end of this season for Liverpool."

"I think that beating Aston Villa was a big moment for them."

But Neville thinks they have little chance of overturning their 3-1 first leg deficit against Real Madrid in the Champions League.

Liverpool are well known for turning defeats around — but that is with a full

SIDELINED: Joe Gomez

Anfield roaring them on.

With no fans in, it will be a different challenge against Zinedine Zidane's men.

Going out of the Champions League means it's all or nothing with the top four finish for Jurgen Klopp's men.

Neville added: "They were really poor in Madrid in midweek, and they've given themselves a lot to do and I'm not sure they have got it in them to do it because at Anfield they've not been great — even against Aston Villa, they're scrambling to win late on."

"With a crowd in, it's a different story, but I think they're going to go out of the Champions League."

"I might be wrong, but it would seem now that they've got the top four to concentrate on."

If they get into the top four at the end of it, it would be a half-decent result for them."

BIG BLOW: Tierney won't play again this season

FINALS FEAR FOR TIERNEY

Kieran left sweating on Euros fitness

By PAUL THOMAS

KIERAN Tierney faces a race against time to be fit for the Euros.

The Arsenal and Scotland left-back will miss the rest of the Premier League season after picking up a knee injury.

Club boss Mikel Arteta said: "Kieran Tierney is out — probably for the season so we need different options at that position."

That is worrying news for the Tartan Army who kick off their summer Euros group games against the Czech Republic on June 14.

Two games come quickly afterwards against England and Croatia.

It would be a huge blow for Scotland manager Steve Clarke to lose Tierney.

He has built up a classy partnership with Liverpool left-back Andy Robertson and

he's a key part of his Euros plans.

Injuries are really mounting up for the Gunners with Pierre-Emerick Aubameyang, Martin Odegaard, David Luiz and Emile Smith Rowe all missing for the weekend win at Sheffield United.

Arsenal now have a tough second leg against Slavia Prague in the Europa League.

The tie is poised at 1-1 and Arteta admits all the knocks are making life tough.

He said: "It was a strong performance against Sheffield United, efficient and intelligent with the ball and the right attitude."

"I am really happy, but the injuries are a worry."

"Saka had some discomfort in his thigh. I don't know what it is. The last thing we

need is another issue because we have enough of that and are missing some big players at the moment."

"I don't know the extent but we will see how it develops in the coming days."

"Martinelli twisted an ankle and it was sore but he's a tough boy."

It's touch and go whether Aubameyang will be fit for the Prague game on Thursday night.

He was taken ill before the trip to Sheffield and may not be back in time.

Arteta added: "He has been unwell and could not train."

"Hopefully in the next day or two he will be feeling better and will be available."

"As for Emile and Martin,

we don't know yet."

It was a big plus for Arsenal to see Martinelli back in the side and scoring against the

Blades. But Arteta is trying to keep a lid on growing expectations for the youngster.

The boss said: "I'm asking you to be patient because we have a lot of players at 19 and 20 years old."

"When you compare that with a lot of Premier League clubs at the top end it's not common."

"Gabriel is having the right path, the right development, he's got an incredible attitude and talent and has got all the future in front of him."

"What we have to do is to manage that, try to give him the right amount of minutes, the right games for him to develop to continue to get better."

"I respect that people want to see more of him, and Gabi did really well, but we have to be patient. He is getting the right development."

Forget about Europe next season

SPURS NOT CONFIDENT OF EVEN A TOP-SIX SPOT

JOSE Mourinho says it will be tough for Spurs to finish any higher than seventh this season.

The Special One is sulking after his Londoners were easily pushed aside by Manchester United at the weekend.

It leaves a three-point gap to Liverpool in sixth place with Aston Villa, who are 11th, just five points behind them.

With games running out, Mourinho thinks seventh is the likely finishing position for his under-achievers.

And offering no top-level European football next year could mean Harry Kane looks elsewhere and top players won't want to come to White

By PAUL THOMAS

Hart Lane any time soon. To make matters even worse, if Spurs finish seventh they are likely to qualify for the new UEFA Conference League next season.

That's a new European competition designed to give smaller clubs a chance to play on a bigger stage.

The winners of the Carabao Cup get the place so if Spurs beat Man City they will qualify that way.

But if Pep's lads win the final at Wembley the team that finishes seventh in the Premier League will get the Conference spot.

That would pit Spurs against teams from giant

nations like Liechtenstein and Andorra.

Mourinho isn't confident of climbing the table.

He said: "Difficult, difficult, difficult. Of course it's difficult. We lost and other teams won and did points."

"Even difficult for top six but there's seven matches to go, 21 points so mathematically it's possible."

"It's not all about the cup, we have seven matches to play in the Premier League."

It's not just Kane who could be packing his bags, fellow striker Heung-min Son will have no shortage of offers.

The Korean is looking for a big response from the Spurs squad in the final two months of the campaign.

He said: "I know it's always

easy to say, 'let's be positive' or 'we'll do our best' but I really want to finish well this season."

"There has always been passion from outside this stadium, and those who support us I know are really, really disappointed."

"I think they're even more disappointed than us, so I feel really bad and sorry about it. "It's about the results. If we win, I'm really happy and if we lose, I'm really down for two or three days."

"So, what can I say? We have to bounce back strong next Friday."

"We're six points behind the top four, so we have to get results and wait for the other teams to drop points, but we have to do our best."

BIG MOVE: Dom Bess

YORKIE TRANSFER A BOOST FOR BESS

CRICKET By ANDY MILLOM

DOM Bess says moving to Yorkshire can take his game to the next level. The England spinner has gone north from Somerset to get more game time.

The 23-year-old struggled to get a spot at Taunton with Jack Leach also in the squad. That didn't stop him breaking into the Three Lions side — but things didn't go to plan in India this winter.

He was dropped from the team despite the Tests being played on turning tracks. Now he's looking to sort things out with some strong performances for the White Rose county.

Bess said: "I've been backed by Yorkshire in terms of coming up here. It's now up to me to deliver."

"Whatever that looks like day in and day out, and in and around the club, is something I'm really looking forward to."

Bess is not worried about his modest form with England and insists he has a lot more to offer on the international stage.

He added: "I can only see massive positives from this winter."

"If I lay down the facts now, as a 23-year-old going to the sub-continent, having expectations on you and on yourself, I perhaps didn't impact games the way I would want to at times."

"But I did impact upon games for England."

"I'm 23 and was sat there watching and playing against Ashwin, who is 33 or 34 playing in his own conditions."

"I was visually seeing how he goes about bowling in such a big game."

"It was a pleasure to be there and learn."

Moving to Yorkshire means being at the same club as England skipper

SKIPPER: Joe Root

Joe Root. That could definitely help his chances of a Test recall this summer and he's talked to coach Chris Silverwood too.

Bess added: "I understand where I stand with it all when it comes to playing for England."

"I certainly feel backed from these guys, who gave me good feedback in terms of what I need to do."

"That's all I can ask for, that consistent feedback."

"I know Rooty, Chris Silverwood and the whole team back me in terms of the longer process. I have to buy into that."

TIME TO GO HARRY

Hoddle backs Kane for summer move

GLENN Hoddle says he wouldn't blame Harry Kane if he left Spurs this summer.

The Londoners are way off the race for a Champions League place in seventh.

And it looks almost impossible to get into the top four with games running out fast. Kane

By JOHN ANTHONY

has been loyal to Spurs over a rough couple of seasons.

But the rumours are getting louder about him heading for the exit soon.

Manchester City are definitely keen but it would be a massive step for him to join another

Premier League side. It seems more likely that he would head to Paris St Germain for a reunion with former boss Mauricio Pochettino.

Tottenham legend Glenn Hoddle thinks Kane will be on his way this summer.

The former England gaffer said: "No one would blame Harry

Kane if he moved on now. If he said, 'I'm going to win silverware elsewhere' and the right offer was there.

"He's the one that will make that decision and then Spurs will have to get the best deal they can possibly get.

"It would obviously be a crushing blow for the team."

LEAVING SOON:
Kane's time at
Spurs may be
